

ABOUT ESPGHAN

WHO WE ARE

We are a multi-professional organisation dedicated to the promotion of the health of children with special regard to the gastrointestinal tract, the liver and nutritional status. Our members include clinicians, scientists, trainees, and allied health professionals.

WHAT WE DO

- Provide representation for professionals involved in paediatric gastroenterology, hepatology and nutrition
- Promote basic, translational and clinical science
- Lobby for stronger support of research
- Offer the highest standards of education to our members and other involved professionals
- Focus attention on new investigators and trainees to ensure they are supported and encouraged
- Serve as a source of competent advice for governments, international agencies, and relevant stakeholders

HOW WE DO IT

We achieve the above by knowledge creation, the dissemination of science based information, the promotion of best practice in the delivery of care, and the provision of high quality education for paediatric gastroenterology, hepatology and nutrition professionals in Europe and beyond.

HOW TO JOIN US

For information on different membership types and application procedure please visit our website www.espghan.org or contact the ESPGHAN Office via office@espghan.org.

TUITION FEE:

- **Three Days Live Endoscopy and Two days Hands-on Workshop:** 1000,00 €
- **Three Days Live Endoscopy:** 700,00 €
20% reduced Fee (800,00 €/560,00 €) for ESPGHAN-ESGE members, registration before 2018 March 20th and Residents, Fellows in Training.
- **Nurses' Live Course:** 400,00 €
(Free registration for nurse if combined with full doctor registration)
- **Internet web-based Video Streaming connection:** 100,00 €

ROME, ITALY**

PROGRAMME

3RD PETDW INTERNATIONAL WORKSHOP THERAPEUTIC DIGESTIVE ENDOSCOPY IN CHILDREN.

1ST LIVE COURSE PEDIATRIC ENDOSCOPY NURSES

General information

Who Should Attend

Pediatric and adult gastroenterologists, nurses with interest in pediatric therapeutic digestive endoscopy and hands-on training activities.

The 3rd PETDW and 1st Endoscopy Nurses' Live Course

This is the third three day long high-level workshop designed primarily for practicing physicians in the fields of pediatric gastroenterology, endoscopy and overall therapeutic pediatric endoscopy who are seeking up-to-date information that can be applied to clinical practice.

We offer again this unique opportunity for hands-on experience with endoscopic therapeutic techniques and their clinical application in children.

This is an **ESPGHAN** formative event, supported by **UEG**.

The local and invited national and international guest faculty represents recognized experts and thought leaders in this special field in pediatric gastroenterology and digestive therapeutic endoscopy. Their fantastic collaboration was the key of the PETDW success in 2014 and 2016 editions.

There will be a mixture of light presentations on current topics, review lectures and presentations on controversial issues, with, overall, the live procedures transmission from the endoscopic suite to the conference hall. Everybody could assist, without filters or simulations, to different and complex therapeutic endoscopic procedures with the opportunity of a full and extensive discussions of different aspects (indications, complications, different options, technical aspects...) with the faculty in the hall and in the endoscopic suite.

The live endoscopic procedures are performed by the faculty experts. Nurses will have a special suite to discuss their specific activities during the live sessions.

At the European Endoscopic Training Centre (EETC), Catholic University School of Medicine, Rome, there will be personal hands-on endoscopy simulation training stations, for therapeutic procedures using animals models and electronic simulators. Participants, both nurses and doctors, will use instruments and accessories under the supervision of faculty experts.

The Live Sections will also be broadcast by internet web-based video streaming.

Programme

WEDNESDAY, June 13

8 am-4:30 pm - Bambino Gesù Children's Hospital: **Lectures and Live Endoscopy**

At 6:30 pm: Auditorium San Paolo of the Bambino Gesù Children's Hospital:
Opening Ceremony, Lecture / Dinner

THURSDAY, June 14 & FRIDAY, June 15

8 am-1 pm - Bambino Gesù Children's Hospital: **Lectures and Live Endoscopy**

2 pm-6 pm - European Endoscopy Training Centre: **Hands-on Simulators Activity**

Official language: English

Programme

Day 1: WEDNESDAY, June 13, 2018

- 07:30** Registration
- 08:00** Introduction:
Prof. G. Costamagna
Prof. V. Fox
Dott. L. Dall'Oglio
Prof. B. Dallapiccola / Bambino Gesù Children's Hospital Scientific Director
- 08:15** **I LIVE SESSION**
Chairmen: R. Shamir, A. Testoni, C. Agostoni
- Lecture: Future of FMT: adults' results and pediatric perspectives**
A. Gasbarrini
- 10:45** **Coffee Break**
- 11:00** **II LIVE SESSION**
Chairmen: E. Di Giulio, C. Di Lorenzo, M. Thomson
- Lecture: Innovations in Therapeutic Endoscopy**
G. Costamagna
- 13:30** **Lunch**
- 14:00–16:30** **III LIVE SESSION**
Chairmen: A.M. Staiano, V. Fox, A. Papadopoulos
- Lecture: Nutritional and Gastrointestinal approach in NI patients**
F. Gottrand
- 18:30** **OPENING CEREMONY**
Auditorium San Paolo of the Bambino Gesù Children's Hospital
Via Ferdinando Baldelli, 38
Prof. Raanan Shamir **ESPGHAN** President
Prof. Carlo Agostoni **SIGENP** President
Prof. James Heubi **NASPGHAN** President
Prof. Pier Alberto Testoni **SIED** President
Chairmen: A. Gasbarrini, J. Heubi, R. Shamir
Lecture: Social Health for Emerging Countries
Dott.ssa M. Enoc Bambino Gesù Children's Hospital President
- Dinner**

The faculty members, in dependence of their own experience, will be involved in the live endoscopy sessions as principal operator or for comment from the endoscopic suite.

All the faculty members in the hall will have the strategic role of discussant with the opportunity of continuous interface with the operators in the endoscopic suite. They could show their specific experience with short presentations (5') in specific fields.

Day 2: THURSDAY, June 14, 2018

- 08:00** **I LIVE SESSION**
Chairmen: A. Zambelli, J. Heubi, R. Furlano
- Lecture: Training in Pediatric Gastroenterology: procedures.**
C. Romano
- 10:45** **Coffee Break**
- 11:00** **II LIVE SESSION**
Chairmen: S. Cadranell, A. Gabrielli, S. Cucchiara
- Lecture: Acute and Chronic Pancreatitis: what news?**
D. Fishman
- 13:00** **Lunch**
- 14:00** **TRAINING**
Transfer to European Endoscopy Training Centre (EETC)
Catholic University School of Medicine
- 14:30–18:00** **HANDS-ON ACTIVITY ON SIMULATORS**
 1. PEG, PEJ
 2. Hemostatis
 3. Esophageal Dilation and stenting
 4. Polypectomy, foreign bodies management, miscellaneous
 5. ERCP

Day 3: FRIDAY, June 15, 2018

- 08:00** **I LIVE SESSION**
Chairmen: C. Di Lorenzo, F. Gottrand, J. Amil-Dias
- Lecture: Pharyngoesophageal motility problems in children**
N. Rommell
- 10:15** **Coffee Break**
- 10:45** **II LIVE SESSION**
Chairmen: V. Nobili, D. Fishman, G.L. de'Angelis
- Lecture: Endoscopic treatment of PSC**
V. Fox
- 12:45** **Final Remarks**
Management of Therapeutic Endoscopic Procedures Complications
L. Dall'Oglio
- 13:15** **Lunch**
- 14:00** **TRAINING**
Transfer to European Endoscopy Training Centre (EETC)
Catholic University School of Medicine
- 14:30–18:00** **HANDS-ON ACTIVITY ON SIMULATORS**
 1. PEG, PEJ
 2. Hemostatis
 3. Esophageal Dilation and stenting
 4. Polypectomy, foreign bodies management, miscellaneous
