

INTERNATIONAL MEMBERSHIP APPLICATION

NASPGHAN membership is open to any non-North American individual meeting the eligibility criteria for International Membership, as well as any member of ESPGHAN, the Latin American Society of Pediatric Gastroenterology and Nutrition (Sociedad Latinoamericana de Gastroenterología y Nutrición Pediátrica), and the Asia Panpacific Society of Pediatric Gastroenterology. Members of these societies may apply for membership in NASPGHAN by submission of 1) verification of membership in that society by the Secretary-Treasurer of the society, 2) a completed membership form and 3) a curriculum vitae.

Eligibility Criteria

Pediatric Gastroenterologists - Certified or eligible for certification in Pediatric Gastroenterology by a national examining board, by virtue of having completed an accredited pediatric gastroenterology fellowship in a training program approved by a foreign equivalent of the Accreditation Council for Graduate Medical. Verification of eligibility for certification should be submitted in writing by the training director. Or five years of broadly based experience in Pediatric Gastroenterology. These five years should be of such type and quality that they substitute for the clinical and research exposure one might have encountered during sub-specialty training. A combination of sub-specialty residency training in Pediatric Gastroenterology and practice of Pediatric Gastroenterology to equal five years is considered acceptable. A minimum of 50% current full time professional activities must be spent in Pediatric Gastroenterology.

Physician Nutritionists - Certified or eligible for certification in Pediatric Nutrition by a national examining board. Or five years of broadly based experience in Pediatric Nutrition. These five years should be of such type and quality that they substitute for the clinical exposure one might have encountered during sub-specialty training. A combination of sub-specialty residency training in Pediatric Nutrition and practice of Pediatric Nutrition to equal five years is considered acceptable. A minimum of 50% current full-time professional activities must be spent in Pediatric Nutrition.

Research Scientists - Ph.D. or M.D. in a basic or clinical science with a sustained research interest in Pediatric Gastroenterology and/or Hepatology and/or Nutrition

All applications must include this form, the applicant's most current curriculum vitae and verification of membership in one of the above mentioned societies by the Secretary-Treasurer of the society. Please include the original and one copy of the completed application and supporting documents. New member applications are considered by NASPGHAN Council four times a year in January, April, July and October.
