CME Information

COURSE DESCRIPTION

Timely recognition and optimal treatment of the many life-threatening digestive disorders to be reviewed at this conference remain challenging in clinical practice, thereby presenting the risk of delayed recognition and effective treatment. These challenges are met with state-of-the-art laboratory testing and diagnostic imaging, transplantation and other surgical interventions, and adjunctive or independent medical therapies. Medical therapies to be reviewed at this conference shall include novel drugs, enteral and parenteral nutrients in current practice plus safe means of delivering these products and services.

This conference shall endeavor to organize these topics into a rational, practical, and timely presentation for practitioners who are likely to encounter these patients.

LEARNING OBJECTIVES

- Facilitate early referrals of patients by pediatric specialists for comprehensive evaluations for liver and intestine disorders for optimizing clinical outcomes and facilitating comprehensive pretransplant evaluations when needed.
- Analyze the indications for pediatric liver and intestine transplantation and their impact on transplant outcomes.
- Compare and contrast the efficacy of different treatment modalities in the management of transplant recipients with the goal of optimizing patient outcomes.
- Optimize intravenous versus enteral vitamin and mineral supplementation during liver and intestinal rehabilitation, before or after transplant

TARGET AUDIENCE

This conference is intended for pediatric gastroenterologists, neonatologists, intensivists, surgeons, emergency physicians, pediatric hematologists and oncologists, pediatric nurse practitioners and physician assistants, pediatric dietitians, home health providers serving pediatric populations, and pediatric case managers

CME ACCREDITATION

MedStar Georgetown University Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION

MedStar Georgetown University Hospital designates this live activity for a maximum of 6.0 AMA PRA Category 1 CreditsTM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE OF FINANCIAL **RELATIONSHIPS WITH ANY** COMMERCIAL INTEREST

As a provider accredited by the ACCME, it is the policy of MedStar Georgetown University Hospital to require that everyone who is in a position to control the content of an educational activity disclose all relevant financial relationships with any commercial interest prior to the educational activity.

The ACCME considers relationships of the person involved in the CME activity to include financial relationships of a spouse or partner. Any individual who refuses to disclose relevant financial relationships will be disqualified from participating in the CME activity. For an individual with no relevant financial relationship(s), the participants must be informed that no conflicts of interest or financial relationships exist.

Agenda

7:15 AM	Registration and Continental Breakfast	SESSION II: TOPICS IN ANATOMIC AND FUNCTIONAL INTESTINAL FAILURE	
7:50 AM	Welcome and Introduction Thomas M. Fishbein, MD; Stuart S. Kaufman, MD	10:40 AM	Review: Management of Infant Short Bowel Syndrome Stuart S. Kaufman, MD
SESSION I: TUMORS AND OTHER CHRONIC ABDOMINAL DISORDERS		11:05 AM	Congenital Diarrhea Syndrome Mohamad Miqdady, MD
8:00 AM	Overview of Hepatoblastoma Christopher J. Lawlor, MD	11:30 AM	Surgical Management Strategies for Chronic Intestinal Diseases
8:25 AM	Surgical Management of Hepatoblastoma: Options & Outcomes Thomas M. Fishbein, MD		Cal S. Matsumoto, MD
		11:55 AM	Endoscopy in Intestinal Failure and Transplantation Khalid M. Khan, MD
8:50 AM	Familial Adenomatous Polyposis in Childhood and Adolescence Thomas M. Attard, MD	12:15 PM	Panel Discussion S. Kaufman, K. Khan, C. Matsumoto, M. Miqdady,
9:15 AM	Panel Discussion: Q&A	12:30 PM	Lunch and Visit the Exhibits
7.10 7.11	T. Attard, T. Fishbein, C. Lawlor		
9:30 AM	Update on Chronic Pancreatitis and Pancreatic Islet Cell Transplantation Khalid M. Khan MD; Chirag Desai, MD	SESSION III: SYSTEMIC METABOLIC DISEASES AND THE LIVER	
		1:30 PM	The Clinical Spectrum of Liver Disease in Metabolic Disorders
9:55 AM	Panel Discussion: Q&A C. Desai, K. Khan		Nada A. Yazigi, MD
		1:55 PM	Metabolic Candidates for Liver Transplantation Kimberly A. Chapman, MD, PhD
10:10 AM	Coffee Break & Visit the Exhibits	2.20 PM	
		2:20 PM	Liver Transplantation for Metabolic Diseases Jason S. Hawksworth, MD
		2:45 PM	Panel Discussion K. Chapman, J. Hawksworth, N. Yazigi
		3:00 PM	Closing Remarks

Registration Information

REGISTRATION FEES

Physician	\$100
Resident/Fellow	\$75
Nurse	\$75
Advanced Practice Clinician	\$75
Allied Health Professional	\$75
Social Worker	\$75
Nutritionist	\$75

ONLINE REGISTRATION PREFERRED

Please visit our secure website at

http://CME.MedStarWashington.org/PediatricTransplant for updated program and registration information. We are unable to accept registrations or cancellations by telephone. If you wish to pay your registration fee by check, please download and print a registration form and mail it to the address on the registration form with your

All registrations will be confirmed by email only. Please use an email address that you check regularly. If you have questions regarding registration or do not receive an email confirmation of your registration within 1-2 business days, please contact us at WHCCME@gmail.com or 202-877-8220.

CANCELLATION POLICY

Cancellations made in writing by February 12, 2016 will be subject to a 50% penalty. No refunds will be given after February 12, 2016 Cancellations will not be accepted by telephone. In the unlikely event that the course is canceled, MedStar Georgetown Transplant Institute will refund the registration fee, but is not responsible for any travel costs.

Please call 202-877-8220 or email WHCCME@gmail.com if you any questions or need any additional information.
