Assistant Professor of Pediatrics,
Perelman School of Medicine
University of Pennsylvania
Philadelphia, PA USA

PROGRAM DEVELOPMENT AND FACILITATION:

Paul Sinclair, MSc.
INSINC Consulting Inc.
Guelph, ON CANADA

INTRODUCTION

This activity details the history, indications, delivery modes, components, monitoring, and safety related to EN for pediatric patients. Additionally the activity will cover the role and implementation of EN in specialized pediatric populations including preterm infant, IBD, SBS, CF, CP, critically ill, and FTT patients

TARGET AUDIENCE

This activity is designed for pediatricians, pediatric and adult gastroenterologists, primary care physicians, physician assistants, nurse practitioners, and other health care professionals who are interested in treating children and young adults on enteral nutrition regimens.

LEARNING OBJECTIVES

Upon completion of this activity, participants should be better able to:

- Understand the history, indications, delivery modes, components, monitoring, and safety related to EN for pediatric patients
- Understand the role and implementation of EN in specialized pediatric populations including preterm infant, IBD, SBS, CF, CP, critically ill, and FTT patients

PHYSICIANS

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the North American Society for Pediatric Gastroenterology, Hepatology and Nutrition (NASPGHAN) and The NASPGHAN Foundation for Children's Digestive Health and Nutrition. NASPGHAN is accredited by the ACCME to provide continuing medical education for physicians.

AMA PRA STATEMENT

NASPGHAN designates this enduring material for a maximum of 2.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

STATEMENT OF DISCLOSURE

All faculty/speakers, planners, abstract reviewers, moderators, authors, coauthors, and administrative staff participating in the continuing medical education programs sponsored by NASPGHAN are expected to disclose to the program audience any/all relevant financial relationships related to the content of their presentation(s). Accordingly, the NASPGHAN staff have reported no financial relationships with any commercial interests related to the content of this educational activity.

Ann O Scheimann, MD, MBA,

has nothing to disclose

Sabina M Ali, MD, has nothing to disclose

Mark R Corkins, MD, CNSP, SPR, FAAP

consultant for Nestlé

Conrad R Cole, MD, MPH, MSc.,

is a consultant for Abbott Nutrition and Nutricia

Ilana M Fortgang, MD, has nothing to disclose

Praveen S Goday, MD, MBBS, CNSC,

has nothing to disclose

Beth Goldberg, NP, has nothing to disclose

Maria Mascarenhas, MBBS, has nothing to disclose

Sarah Phillips, MS, RD, LD, has nothing to disclose

David Suskind, MD, has nothing to disclose

Justine Turner, MBBS, PhD, has a research Grant

and is Principal Investigator for Fresenius Kabi

Jeff Critch, MD, has nothing to disclose

Ed Hoffenberg, MD, has nothing to disclose

Judith Kelsen, MD, has nothing to disclose

Paul Sinclair, MSc., has nothing to disclose

In accordance with ACCME Standards for Commercial Support of CME, NASPGHAN and The NASPGHAN Foundation for Children's Digestive Health and Nutrition

implemented mechanisms to identify and resolve conflicts of interest for all individuals in a position to control content of this CME activity. To resolve identified conflicts of interest, the educational content was peer-reviewed by a physician member of the NASPGHAN Review Committee who has nothing to disclose.

The resulting certified activity was found to provide educational content that is current, evidence-based, and commercially balanced.

MEDIUM OR COMBINATION OF MEDIA USED

This activity consists of an online slide presentation plus online posttest and CME evaluation.

HOW TO RECEIVE CME CREDIT:

To receive CME credit for reviewing this activity, participants must review the CME information (learning objectives, disclosures, etc.), review the entire activity, and complete the activity posttest with a minimum of 60% passing score and evaluation questions. To complete the activity posttest and evaluation, please visit:
http://www.gotomylist.com/evaluator/evaluation_start.cfm?pk_event=1725.

Certificates will be provided immediately after completion of both the posttest and evaluation. For any questions about receiving credit, please e-mail Blia@AmedcoEmail.com

PROVIDER CONTACT INFORMATION

Jointly sponsored by NASPGHAN and The NASPGHAN Foundation for Children's Digestive Health and Nutrition.

For questions, please contact:

NASPGHAN: PO Box 6, Flourtown, PA 19031
Phone: (215) 233-0808 • Fax: (215) 233-3918

DISCLAIMER

The content and views presented in this educational activity are those of the authors and do not necessarily reflect those of NASPGHAN, The NASPGHAN Foundation for Children's Digestive Health and Nutrition, or Takeda Pharmaceuticals North America, Inc. This material is prepared based upon a review of multiple sources of information, but it is not exhaustive of the subject matter. Therefore, health care professionals and other individuals should review and consider other publications and materials on the subject matter before relying solely upon the information contained within this educational activity.

POLICY ON PRIVACY AND CONFIDENTIALITY

NASPGHAN and The NASPGHAN Foundation for Children's Digestive Health and Nutrition will make every effort to protect the privacy of every individual participant of this activity and will use information gathered only to maintain records as required by the American Medical Association (AMA) and ACCME.

This activity does not require readers to register to review the material, with the exception of physicians and other health care providers who desire to receive CME credit for this accredited activity. If an individual completes a CME for this accredited activity, we are required by the AMA and ACCME to collect personal information on the individual, such as their name, address, and phone number, that will allow us to issue a CME certificate to them and to keep this information on file for up to 6 years.

Personal information gathered will not be released to any other company or organization for any purpose. This information remains totally confidential.
