

The American Board of Pediatrics (ABP) in collaboration with the American Board of Internal Medicine (ABIM) will offer a Certificate of Added Qualifications in Pediatric Transplant Hepatology. A candidate who has a primary certificate from ABIM should contact the ABIM office for its eligibility criteria and registration dates. The 2010 Pediatric Transplant Hepatology Certifying Examination will be administered on Wednesday, November 17, 2010, at computerized testing centers in various cities.

New applicants

- First-time applicants must complete applications online at (www.abp.org) during the registration period for new applicants.

Registration Type	Registration Dates
New Applicant – Regular	February 2, 2010 – April 1, 2010 at 3:00 pm EDT
New Applicant – Late (late fee required)	April 2, 2010 – April 29, 2010 at 3:00 pm EDT

Re-Registrants

- Previously accepted candidates must apply online at (www.abp.org) during the registration period.

Registration Type	Registration Dates
Re-registrant – Regular	March 16, 2010 – May 13, 2010 at 3:00 pm EDT
Re-registrant – Late (late fee required)	May 14, 2010 – June 15, 2010 at 3:00 pm EDT

IMPORTANT

Computer technical difficulties, operator error or difficulties arising from username or password problems (forgotten password or inability to log on to the ABP application system due to an inconsistency with the spelling of names, etc.) must be resolved and the application completed and submitted before the 3:00 PM Eastern Standard or Daylight Time deadline. Please be aware that it can take up to 48 hours (excluding weekends) to resolve certain technical difficulties. The ABP makes every effort to assist with these issues promptly; however, applicants are held responsible to check their ability to apply well before the deadline. **NO EXCEPTIONS WILL BE ALLOWED FOR APPLICANTS WHO MISS THE APPLICATION DEADLINE.**
